

## IMPORTANT NOTICE: ALLERGEN INFORMATION

Before placing your order, please inform one of our restaurant managers if anyone in your party has a food allergy. We are committed to the health and safety of our guests, and upon request we will provide allergen information for our menu items for the most common allergens: egg, fish, milk, peanut, shellfish, soy, tree nuts, wheat/gluten, and sesame.

While we strive to keep allergen information accurate, ingredient changes, substitutions, and variations in preparation may occur. Menu items may differ by location, and some limited-time or test items may not be listed. We also use shared cooking areas. Thus, we cannot guarantee that any item on our menu is completely allergen-free.

Thank you for your understanding as we work to accommodate dietary needs.
